**Entry costs:**

- Test Day (Porsche race cars only) € 800 ex VAT
- Track Day – Warming-up & Sport (Porsche street cars only) Upon availability!  
Please contact us for the conditions.

Extra drivers on top of the two drivers mentioned on the entry form can be registered for € 100 ex VAT per day. These drivers need to fulfill the licence requirement of the Porsche GT3 Cup Challenge Benelux. In case you want to use this option please inform us through [severine@gt3cupchallengebenelux.com](mailto:severine@gt3cupchallengebenelux.com)

**Pit boxes:**

- Pit box 'F1' (1 door), located in the upper paddock € 400 ex VAT

Pit boxes are available subject to availability and awarded by first come, first service basis (with reception of payment as reference).

**Payment:**

The correct amount payable should be transferred to the Porsche GT3 Cup Challenge Benelux account immediately upon application of entry. If the correct amount, corresponding to the above tables, has been received, a confirmation and invoice will be sent to the entrant. Entry to this test day is never complete without full payment. Please use the following details for your transfer:

**Cup Challenge Benelux B.V. IBAN: NL85ABNA0588447978 BIC: ABNANL2A**

Please add your (team)name and "Test day 2018" as a reference to the transfer. The invoice will be sent to the name and address as supplied in the 'Team' section of this document. If you prefer invoicing to a different name and/or address please let us know in advance.

**Cars:**

All cars driving during the Test Day sessions need to be in full compliance of their respective Technical Regulations.

**For all cars: noise levels should not exceed 107 dB\*.**

\*Maximum noise level of each vehicle driving on track, measured at 15 meters from the middle of the track.

Static inspection will be organised on site to verify that the maximum noise levels, as set out in the aforementioned Regulations, are not exceeded: maximum 107 dB (category Ci) or maximum 110 dB (category Bi) – at a standstill, in neutral, at a distance of one metre from the exhaust pipe, at a 45° angle, with the engine running at 75% of maximum revs.

**Timing:**

Please note that the activities on the track are taking place between 9am and noon and from 1pm till 6pm.

**Signatures:**

The entrant and driver(s) both acknowledge with their signatures that they will strictly observe the conditions stated in this document. By signing this document the entrant and driver(s) acknowledge that they have read and understood all pages of the 'Test Day entry form' document and that all information provided is correct. All participants need to sign a liability waiver and register with the organisation before being allowed on track.
